

Dear SFWMD Governing Board and Lee County Board of County Commissioners,

The Conservancy of Southwest Florida in conjunction with the Brooks Concerned Citizens (BCC), Shadow Wood HOA, Spring Run HOA, Lighthouse Bay HOA, Copperleaf HOA, and Estero Council of Community Leaders (ECCL) would like to offer the following comments in response to the recently released staff report for the I-75 Segment B Widening ERP application (No. 070803-18) as well as our recommendations for special condition language that would resolve our concerns with the application.

We appreciate your time and consideration in this matter and look forward to working with all parties towards timely resolution of this matter. Thank you and please feel free to contact me if you have any questions or would like to discuss further.
